

The Community Shul
Application for Membership 2025/2026, 5786
A place where people grow by living meaningful Torah lives.

Membership in the Community Shul covers 25% of our annual budget.
 Charter membership includes all Shabbatonim, programs, classes, and meals in the shul.

Even though we have not raised our membership rates since 2010, there are members in our shul who simply cannot afford to pay a full membership or even a partial membership. Please consider adding \$50 or any amount per month to your credit card to cover their membership so they can feel that they are part of our family.

Please fill out this section only if you are a new member or you have not filled this out electronically.
