PRACTICAL HALACHA

Erev Rosh Hashana: Hataras Nedarim

- Any three males who are clearly adult may be part of the Beis Din.
 - They must understand the general idea of what they are saying or say it in English.
 - Relatives are permitted to be part of the Beis Din.
 - It only works for nedarim that the one seeking annulment does not know about.
 - If it involves a specific neder that needs annulment it should be specified to at least one of the judges.
 - The request for annulment must be done by the person himself not by someone acting on his behalf.
 - Women may also do hataras nedarim. However, the minhag is that women do not do hataras nedarim.
- They should have it in mind when they say Kol Nidrei on Yom Kippur.
- A husband is allowed to say hataras nedarim on behalf of his wife. He should tell the judges that he is also having his wife in mind.

Good Shabbos,
Rabbi Cohen
