PRACTICAL HALACHA

MASHIV HARUACH

Shulchan Aruch: If you forgot to say Mashiv HaRuach UMorid HaGeshem, but remembered before the end of the Bracha, you should say it where one remembered and continue from there unless you already said VeNeeman Atta LeHachayot Meytim in which case you should return to that point say Mashiv HaRuach and continue.

If you remembered after having said Baruch Atta Hashem but before saying Mechaye Maytim, you should say Lamdeni Chukecha (למדני חוקיך) and then go back to Mashiv HaRuach and continue from there.

If you remembered after completing the Bracha before the next Bracha, say Mashiv HaRuach UMorid HaGeshem right there and continue with Atta Kadosh.

If you remembered after having completed the Bracha and started the next Bracha, you have to repeat shemone esrei.

Beiur Halacha sides with Shulchan Aruch unless it's possible to avoid this situation.

Rav Moshe Feinstein argues on the Beiur Halacha and says that concluding the Bracha with Lamdeni Chukecha isn't a viable option because it's considered an interruption to speak words of Torah in middle of shemone esrei. Rather you should rely on Shulchan Aruch completely and if one remembers after having said Baruch Atta Hashem one should finish the Bracha and then say Mashiv HaRuach right there before the next Bracha.

Most achronim side with the Beiur Halacha.

Good Shabbos,
Rabbi Cohen

KIDDUSH AND HAVDOLO APPEAL

Dear Community Member,

Thank YOU for making Simchas Torah at our Community Shul so beautiful, "leybadik", and successful. We are extremely grateful for your contribution to help us continue to provide you with the quality programs and services that you have come to expect from us. The auction covers as much as 25% of our annual budget. We are still actively collecting for our Kiddush and Havdala fund. This is a very important part of our annual Simchas Torah fundraiser, because it allows everyone to be included in a very special mishabeyrach (blessing) which is said in every shul throughout the world every Shabbos! So if you missed getting in your contribution, however big or small, and you would like to be included, please let us know how much you would like to donate in order to be the worthy recipient of this extraordinary blessing.

May you and yours be blessed with good health, and peace, and may our tefillos and tzedaka be a zechus for geula for the Jewish people.

Warmest regards for a healthy winter,

Rabbi Moshe Cohen

HELP US REACH OUR GOAL

Thank you for all those who went above and beyond and contributed towards the two industrial units to replace our broken AC. We really appreciated it on Rosh HaShana and Yom Kippur but especially on Simchas Torah when temperatures were above 100 degrees! We were not a day late but we are still short a few dollars. With our generous matching donation, we still need to raise \$11,244. These units are extremely costly and it is not too late to contribute.

If you'd like to be included and make a pledge to either appeal, please email melissa@thecommunityshul.com
